Jack and Larry were lifelong friends. Unfortunately, they both passed away in the same accident.

When they got upstairs, they were greeted by G-d. "You two have been good, welcome to Heaven! Ask any question and I'll give you the Truth."

Without skipping a beat, Jack asks "what's the truth being the JFK assassination?"

"It was Lee Harvey Oswald. No grassy knoll, so second shooter, no CIA coverup. It was clean and simple."

Turning to Jerry, Jack says "See? It's like i always told you. This thing goes *all* the way to the top."

When I speak to HHM, he usually calls me "Tzaddik" (probably because its easier than *Tzaddik Vikam*)...

Which often gives me an urge to call him "Hashem".
