

Funny Things Kids Said

Transplanting post from a different thread - kids say hilarious things, let's share them with each other! I'll go first.

grade school son comes out of bath

Son: "I'm freezing!"

Me: So get dressed

Son: but I'm holding something, how can I get dressed if my hands are full?

Me: put your stuff on the floor and then get dressed.

Son: but how will I know where I left my stuff in the morning?

Me: put it in its place

Son: I don't know where to put it

Me: don't you have a box for all your stuff?

Son: yes, but i usually don't put anything there.

Me: So start putting your stuff there

Son: but since I do not usually put my stuff there I won't think to look there.

Me: so how do you usually find your stuff in the morning?

Son: I usually lose my stuff until someone finds it (usually me or his mommy stepping on it or throwing it out...)

Me: maybe start putting your stuff where it goes and then you will know where it is

Son: I think I'll just leave it under my pillow. That's where i leave my kippa.

Me: ok then. goodnight, love you.

My son wanted to play a game with his cousin, and I asked them to please clean up a bit first to make space.

I went to assess how much tidying up was needed, and my son says to me: "just make it look like it's cleaned up".

Then he turned around to find out that it wasn't his cousin who'd walked up behind him.

Son: "Tatty is medicating."

Wife: "What?"

Son: "Idonno, he's doing medication or something."

Me: Focusing on my breath just got infinitely harder.

Son, hopefully, you'll never get to understand this firsthand. I'm doing this now precisely so I don't desire to self-medicate later.
