

The Awkward Moments Thread

Posted by balancedfox70 - 09 May 2025 01:48

Hello friends,

I have noticed that there is a crisis going on on the "[Embarrassing things we all do and think](#)" thread with people not respecting the criteria of "things we *all* do" by posting things that are embarrassing but almost unheard of...

To solve this I have created "The Awkward Moments Thread" A place where anyone can share any awkward moment or story they have ever experienced that is solely unique to you.

Feel free to post whatever you'd like, there will be no judging or analyzing any moments.

L'chayim!

I've always thought this was an urban legend (kinda like the "Chassidish Superman" [being deliberately vague]- ?????? ?????)

Please elaborate.....

Sorry, but I'm not authorized to disclose details.

Warning: Spoiler!

Details may need to be shared on the BB forum (if at all). It's an inappropriate legend. Possibly regretting bringing it up in the first place.

I noticed the guy next to me by shacharis started putting his Shel Rosh on his arm. I felt so bad for him. When he realized he had two straps to wrap he realized, I wanted to pat him on the back but decided making pretend I didnt see would probably make him happier
