

Bardy's Pub

Posted by Cry2Tatty - 24 Jan 2010 17:16

Welcome my friends to bardy's pub...it's kinda like a depressed persons chill spot for guys who like to drink...tell us what you're drinking what you drank and what you'd like to drink...

I'll start...this shabbos I had a chianti italian wine made of sanginovese grapes...it was a 2008 and tasted immature...it had an acidic finish that's a staple of the tuscanny region...it was a cute wine and I enjoyed it because I wasn't expecting a big bold taste...Friday night I had 3 shots of the balvenie 18 year while playing backgammon with mrs rage after the meal...then at 830 I poured myself a glass of about 5 ounces woodford and had a lechayim with all of u...shabbat after shul I had a glass of grey goose with my chulent eggs and a pre nap glass of woodford...over all it was a nice shabbos...

Shouldn't this place be renamed 40004's pub?

But I don't think the Rebbe Reb Kook would appreciate the fact that you're **still** referring to the place as Palestine.

That poster is from 1917, long before the Medina existed. Everyone called it "Palestine" then.
