Welcome my friends to bardy's pub...it's kinda like a depressed persons chill spot for guys who like to drink...tell us what you're drinking what you drank and what you'd like to drink...

I'll start...this shabbos I had a chianti italian wine made of sanginovese grapes...it was a 2008 and tasted immature...it had an acidic finish that's a staple of the tuscanny region...it was a cute wine and I enjoyed it because I wasn't expecting a big bold taste...Friday night I had 3 shots of the balvenie 18 year while playing backgammon with mrs rage after the meal...then at 830 I poured myself a glass of about 5 ounces woodford and had a lechayim with all of u...shabbat after shul I had a glass of grey goose with my chulent eggs and a pre nap glass of woodford...over all it was a nice shabbos...

I love how you said that so casually, like everyone would just know what you meant.

Also, that's 70 bucks a bottle.

Sounds like fun at your house!

Lots of fun!!! Only the best for Purim.

For once, fellow sinners, let the wife take the driver's seat

He meant to say, when you're drunk is the only time you'll feel safe with her driving...

That's what happens when you drink and drive.

Maybe try putting down the cones and actually holding the steering wheel.
