

Bardy's Pub

Posted by Cry2Tatty - 24 Jan 2010 17:16

Welcome my friends to bardy's pub...it's kinda like a depressed persons chill spot for guys who like to drink...tell us what you're drinking what you drank and what you'd like to drink...

I'll start...this shabbos I had a chianti italian wine made of sanginovese grapes...it was a 2008 and tasted immature...it had an acidic finish that's a staple of the tuscanny region...it was a cute wine and I enjoyed it because I wasn't expecting a big bold taste...Friday night I had 3 shots of the balvenie 18 year while playing backgammon with mrs rage after the meal...then at 830 I poured myself a glass of about 5 ounces woodford and had a lechayim with all of u...shabbat after shul I had a glass of grey goose with my chulent eggs and a pre nap glass of woodford...over all it was a nice shabbos...

yosef:

re: adar Purim/Pesach...

so whats the connection to Purim and Pesach - why do we care about Pesac in teh middle
celebrating Purim??

(this is good -= just heard this last week)

Adar seems like the darkest period - Hashem appeared to be soooooo far away from us. and
then in the end of megillah we see that Hashem was there all the time...

unlike the goy - who sees time as a linear progression - a jew understands that time is cyclic

and although Adar would seem to be the further from Nissan - the geula... the light of the Jews... actually the darkest period is really the closest to the light of Pesach/Nissan.

Our actions in Adar - BRING us to the LIGHT of Nissan!

cool, huh?
