

Bardy's Pub

Posted by Cry2Tatty - 24 Jan 2010 17:16

Welcome my friends to bardy's pub...it's kinda like a depressed persons chill spot for guys who like to drink...tell us what you're drinking what you drank and what you'd like to drink...

I'll start...this shabbos I had a chianti italian wine made of sanginovese grapes...it was a 2008 and tasted immature...it had an acidic finish that's a staple of the tuscanny region...it was a cute wine and I enjoyed it because I wasn't expecting a big bold taste...Friday night I had 3 shots of the balvenie 18 year while playing backgammon with mrs rage after the meal...then at 830 I poured myself a glass of about 5 ounces woodford and had a lechayim with all of u...shabbat after shul I had a glass of grey goose with my chulent eggs and a pre nap glass of woodford...over all it was a nice shabbos...

How about **LUMIR LEIN A BISSEL?**

Besides being shakranim we ARE, after all, the **FRUM YIDDEN**, *remember?*

Bardy, i can't drive around the yeast toast, I mean the least boast, I mean the feast roast, (oh, whatever) to chop your booze if I dont have a car, and when i finally DO have one, I shouldn't be drinkin.... I wonder what kinda ticket you get if your hand-held device is a bottle of shnaps... well, if you're talking into it, you got problems...

I hate these existential questions....

OH, and I was SCREAMING over your Vort in the CEM today!! GEVALDIGG!! I can't WAIT to share it with my family!!

GUT SHABBEEEEESSSSSSS!!!!

There are different ways that we can learn pshat into these words of **rebbbereg=DOV**.

The **Rebbe Reb Bardichev Shlita** learns as follows:

Ok if you guys don't get it its cause you don't speak dovish

But there is another mehalech too.

Yosef Hatzadik klers that **Dov** is referring to the 12 Steps refrain: *Give up & Give God.* or as it has been rephrased *Let God.*

Dov may be telling us to stop trying to be in control. To Let God run the show. *Let Us Let him!*
