

Bardy's Pub

Posted by Cry2Tatty - 24 Jan 2010 17:16

Welcome my friends to bardy's pub...it's kinda like a depressed persons chill spot for guys who like to drink...tell us what you're drinking what you drank and what you'd like to drink...

I'll start...this shabbos I had a chianti italian wine made of sanginovese grapes...it was a 2008 and tasted immature...it had an acidic finish that's a staple of the tuscanny region...it was a cute wine and I enjoyed it because I wasn't expecting a big bold taste...Friday night I had 3 shots of the balvenie 18 year while playing backgammon with mrs rage after the meal...then at 830 I poured myself a glass of about 5 ounces woodford and had a lechayim with all of u...shabbat after shul I had a glass of grey goose with my chulent eggs and a pre nap glass of woodford...over all it was a nice shabbos...

Hick!

I mean, HI!!

BH I see cherry herring isn't on the list. Which brings me to a qvestion:

Anybody know the kashrus status and history of Cherry Herring. I inherited an old, still sealed bottle I don't know HOW old it is. I heard a long time ago that CH was kosher, them lost that status, then it came back. But I have NEVER been able to verify it. If it has always been kosher, theres no problem using this bottle, and if it ever was not good, I need to know if this bottle is from that time.

Any ideas, my soused and scholarly friends?

Good Shabbos!!
