

Bardy's Pub

Welcome my friends to bardy's pub...it's kinda like a depressed persons chill spot for guys who like to drink...tell us what you're drinking what you drank and what you'd like to drink...

I'll start...this shabbos I had a chianti italian wine made of sanginovese grapes...it was a 2008 and tasted immature...it had an acidic finish that's a staple of the tuscanny region...it was a cute wine and I enjoyed it because I wasn't expecting a big bold taste...Friday night I had 3 shots of the balvenie 18 year while playing backgammon with mrs rage after the meal...then at 830 I poured myself a glass of about 5 ounces woodford and had a lechayim with all of u...shabbat after shul I had a glass of grey goose with my chulent eggs and a pre nap glass of woodford...over all it was a nice shabbos...

Hey R' Bards, do you know what this means? ;D

Agav, we have to start a Lechaim time for all the Israelis.

8:30 by you = 3:30 for us = not happening.

Let's shoot for 8:00,

Maybe for a new thread too...

I know 2 more people that do arak and OJ one is only 19 and the other lives in USA, so don't get so exited. I guess it's a good drink.

Sadly though there is very little basis for being mekayeim ANY mitzvah while getting drunk on ANYTHING OTHER THAN WINE. See Nitei Gavriel for the sole mareh makom HE could find (and he has crazy mareh mekomos from all over-mostly chassidish though). Ayin Sham (oh and if you never say the sefer, walk onto any self-respecting shteibel or chasiddishe place, and you should find at least 1/4 of his sefarim. he's got well over 30 already!)

1) dude i was joking.

2) there are big poskim who hold kol davar shemishtaker is fine!! And i know on NG.

so last night mrs rage and i cracked open a 2006 napa valley special reserve from baron herzog...yum! for all those guys that are holding on to this one, its got a real nice taste right now...a little young but still...you can really taste the fruit and the wine reminds you what a c.s. is supposed to taste like...a little sour and a little sweet...very pleasantly surprised....

and im totally stoked because a friend of a friend of mine is coming in from jamaica today and

hes bringing for me 2 bottles of the red stripe bold, which i havent seen in the u.s. yet...hopefully ill have it tomorrow in time for shabbis...

cmon rage!! Are you really one of those dudes who think shoe polish tastes better from a wine bottle??

It's almost Shabbos here...and I bought some Woodford under the influence of GYE! The guy in the shop said it's amazing also. So I'm pretty excited to try this Woodford that's so present on people's minds. Good Shabbos!
