

Bardy's Pub

Posted by Cry2Tatty - 24 Jan 2010 17:16

Welcome my friends to bardy's pub...it's kinda like a depressed persons chill spot for guys who like to drink...tell us what you're drinking what you drank and what you'd like to drink...

I'll start...this shabbos I had a chianti italian wine made of sanginovese grapes...it was a 2008 and tasted immature...it had an acidic finish that's a staple of the tuscanny region...it was a cute wine and I enjoyed it because I wasn't expecting a big bold taste...Friday night I had 3 shots of the balvenie 18 year while playing backgammon with mrs rage after the meal...then at 830 I poured myself a glass of about 5 ounces woodford and had a lechayim with all of u...shabbat after shul I had a glass of grey goose with my chulent eggs and a pre nap glass of woodford...over all it was a nice shabbos...

knock, knock

anybody here?

i have a knotty question, i am looking to 'shtell tikun' for the yartzeit of Rav Aron Kotler and Rav Noson Wachtfogel and i need a place where they won't make an issue of mixing the Litvishe yartzeit with the Chasidishe way of celebrating...

i heard the barkeep here has his nose buried in a Kedushas Levi when he's not mixing drinks but he also sells ice cream...
