

Bardy's Pub

Posted by Cry2Tatty - 24 Jan 2010 17:16

Welcome my friends to bardy's pub...it's kinda like a depressed persons chill spot for guys who like to drink...tell us what you're drinking what you drank and what you'd like to drink...

I'll start...this shabbos I had a chianti italian wine made of sanginovese grapes...it was a 2008 and tasted immature...it had an acidic finish that's a staple of the tuscanny region...it was a cute wine and I enjoyed it because I wasn't expecting a big bold taste...Friday night I had 3 shots of the balvenie 18 year while playing backgammon with mrs rage after the meal...then at 830 I poured myself a glass of about 5 ounces woodford and had a lechayim with all of u...shabbat after shul I had a glass of grey goose with my chulent eggs and a pre nap glass of woodford...over all it was a nice shabbos...

and i think bards can get you any type of spike u want: spiked iced tea, spiked dog collars and spikes to end the police car-chase

and speaking of spikes. someone i know told me he once flew in trans-atlantic to be at a relative's funeral. the relative's spouse was elderly and not in great shape so people prepared a coffee for her with laxatives and sleeping pills mixed in. this globetrotter arrives at the house and desperately wanted a coffee before the funeral. somehow he got the spiked coffee. he was asked to speak at the service. needless to say the speech was **very** short...

took a few days to close down the crime scene investigation but the pub is now re-opening with

enhanced security to prevent pickpockets, pilfering and petty larceny plus new measures for detecting armed teddybears...

Lechaim!
