

Bardy's Pub

Posted by Cry2Tatty - 24 Jan 2010 17:16

Welcome my friends to bardy's pub...it's kinda like a depressed persons chill spot for guys who like to drink...tell us what you're drinking what you drank and what you'd like to drink...

I'll start...this shabbos I had a chianti italian wine made of sanginovese grapes...it was a 2008 and tasted immature...it had an acidic finish that's a staple of the tuscanny region...it was a cute wine and I enjoyed it because I wasn't expecting a big bold taste...Friday night I had 3 shots of the balvenie 18 year while playing backgammon with mrs rage after the meal...then at 830 I poured myself a glass of about 5 ounces woodford and had a lechayim with all of u...shabbat after shul I had a glass of grey goose with my chulent eggs and a pre nap glass of woodford...over all it was a nice shabbos...

At the "say l'chaim for iluy nishmas..." table in our shul, they had a bottle of milk the other day. I thought it was odd, but now I know it was for Dov.

Careful there, Dov! The Gemara Krisos (13b) brings a sheetah that milk can get you drunk. According to R' Yehudah if one drinks milk and enters to serve in the Bais Hamikdosh, he gets

Malkos.

So there is someone else who asks for milk in a pub when there is borsht available? I don't think so.

And he may have moved to [s]North Carolina[/s] Kentucky since January.
