

Yerushalayim snif of "Bardy's pub"

Posted by Kollel Guy - 28 Jan 2010 21:35

Ok, for all us Israelis who can't keep up with the American 8:30 L'chaim (3:30 for us), we are making an official Eretz Yisroel L'chaim for all GYE members here.

We'll call it for 8:15

All those davening by R' Tzvi Mayer have a chance to get done with their fish.

For those davening by R' Itche Mayer, I'm afraid you will have to be yotzei the L'chaim with Kiddush.

And for those davening in the shteeblach, you can have to have your L'chaim with the ice cream.

Oh, and as far as the kumzitz, I gotta finish all my opened alcohol before I go home, so you'll all

(If I don't - there will be a very intoxicated KG running around J-lem pretty soon).
