

Yerushalayim snif of "Bardy's pub"

Posted by Kollel Guy - 28 Jan 2010 21:35

Ok, for all us Israelis who can't keep up with the American 8:30 L'chaim (3:30 for us), we are making an official Eretz Yisroel L'chaim for all GYE members here.

We'll call it for 8:15

All those davening by R' Tzvi Mayer have a chance to get done with their fish.

For those davening by R' Itche Mayer, I'm afraid you will have to be yotzei the L'chaim with Kiddush.

And for those davening in the shteeblach, you can have to have your L'chaim with the ice cream.

i made a lchaim at my dinner table fri night,
at 20:30, on carmel selected cabernet sauvignon.
we finished the bottle, we were also five people,
not so difficult and it was from 2008, in other words,
kedushas shevi'is, it was also the heilige kotzker's yartzheit.

we have some big national geulahs coming up around the corner,
so i wished everyone that in these times we should also be zoche
to have personal geulahs, and i had every one of you in mind.

lchaim!

are you really asking that question 25?

the real question is,

is it ok to make a lchaim alone?
