There's a little piece of chulent in everyones heart too. Some ppls is warmer than others. Make sure to keep it near that green tree if you have one. (No green fingernails though.... That's kind of tell tale of what you were doing....

Hey, what is up with MRs. Dash? That stuff is manna. Am I missing something? All cholint needs is Mrs. Dash.

although I guess for addicts, maybe they should stick to Mr. Dash until they've made it past the 90 day chart.
