I can't believe it!

You're just like me...

See that's one of the differences between Israeli beans and American beans....

The Israeli beans have these little pebbles that sneak into the packages, that give a distinct flavor to the chulent which you can't find anywhere else.

Ubber Rebbe... They don't have Unger's chulent mix in Machaneh Yehudah... Try Har Nof, Gush-80, or Sorotzkin, if you won't find any in the Makolet -I'm sure your neighbors might have an extra bag...
