I'm supplying the army sized appetite. Today chof ches shevat was a yom tov by the Chashmonaim. Antiochus came back after the whole story of chanuka and laid siege to Yerushalayim. The siege ended today. Let's all leave our own personal siege today!! With that in mind triple rounds of sufganiyot to all!!! :D :D :D

@ tz90: I'm having the same problem. If you figure it out please tell me.

Besides I'm just saying whats to offer. I think you'll be going to OA after bard's cholint anyway. If you don't want donuts there are latkes in the pan.

And if anyone knows how to drop thirty pounds FAST let us now, alright?

Penguin sufganiyot with Woodford glaze?

i don't know why the browse button disappeared but i remember someone else having the same issue. maybe it's because of a filter issue? maybe try a different browser (Chrome Safari Firefox Opera)? dunno

Hertzl didn't like chulint cause it dripped in his beard and gave him lev-saruf - fire-Hertzl - heartburn

the famous pictures of him were taken after he had just eaten some and he is looking very dour and dreary cause of the heartburn
