it was buried in the netherlands of the binah

Yeah, that's another problem. There is a title on the front page, but then it doesn't give a page #, so you have to read the whole thing to find a 2 page article.

Wow those would be perfect for my kids. They can eat them, color with them, hang them from the chandelier, even get them all over their faces and clothes. The perfect all-in-one recipe! ;D

Ok, ok, sorry to infuse so much anger in Elul, let's move on to something more exciting and happiness inducing. Like jelly-covered Esrogs, without pittoms so the kids can play with them all day and we don't have to be worried.  
Yeah. Where's the beef! >
