All jokes aside - can we have a chabura at 4:45 in the great shteeble of bardstown? we can bring some Manischewitz jar of pickled herring and snackers in place of the cholint. I guess we need to look up the recipe on the cholint mix bag.

Zem - make sure you show up this time. dont walk in and run out when you see the guy with the black kappel w/rim.

Bh I made it through. *Gasp- the chulent was nothing like what it shoulda been... Farfel,carrots sweet potatoes and *doublke gasp chicken. Omg. Bh we at least had some geshmake potato kugel to get me through. I'm headin home and str8 2 bed. Hopefully we'll have some leftover of our own chulent in the freezer.

That's not cholint, that's tzimmes. Come to think of it, that's a whole Rosh Hashana night main course in one pot. I should tell my wife about it, there will be less pots to wash..... ;D
