life is cholint

it's all about what you put into it

it's way better if it's warm

go easy on the hot pepper

too soupy or too thick is no good, a happy medium is perfect

make time to stop and smell the cholint

if you're knocked out flat and need a nap, that means you're living to the fullest

a lechaim before during and after helps

how ya feelin BOT?

boy am I glad that you guys are not making my cholint this week. :

leftover latkes, chocolate coins, sprinkles, custard and jelly can be re-incarnated in the cholint this week
