Posted by shemirateinayim - 10 Feb 2010 05:55

Ok I'm really bored, and instead of touring the world of zkus. How about i post these helpfull links. just that I'm too lazy to read this and see if it's Kidai. So you just let me know. I found it on aish, and we are thankfully mentioned a few times, on the comments to their articles on addiction.

wow I finally got my first view!!!!

wow am I bored

This isn't good, since when I get bored, I am easily prone to do bad things. Adam Leamal Yulad, not to sit on his tush and surf the web. that is a very bad combination. Not that I'm saying one must stand when using the internet.

I sent an email to that site, asking him to contact GUARD. Maybe he can help us without shmiras

einayim emails.

SO in keeping with the spirit of adar,(you are supposed to wake-up and see what shtick was pulled off in the middle of the night). I decided to try my hand at identity theft. No I won't highjack your username, however I will change mine. Since the site updates my info on every single post, without leaving a record of my old pics... I'm gonbna keep a log down here. It should say the username I used, the pic I used, and the caption. I'm gonna get screamed at for this one, mybe it's lo tilbash gever simlas isha?

name: Habilb613

Pic: <http://interhuss.com/wp-content/uploads/2008/03/stairway-to-the-heavens.jpg>

title: my pet rock was niftar

haven't heard a word from GUARD yet, but he's gonna flip when he hears about it

I wonder what the real habib613 is saying? there's no reason why I picked her. And I couldn't find a link to the rock pic. SO I fihgured that this one is girly enough.

If the word bored comes to mind - then learning should shortly follow.

I'm in a really hard matzav, but you are 100% correct. I'm just rationalizing and justifying my actions

Purim Rav
Posted by shemirateinayim - 15 Feb 2010 17:25

OK for for the few people who are bored enough to read this thread, I tried creating a user called 'Reb Guard', and he would have had this avatar [img][img]

But the site wasn't maskim. But not to worry, that was only plan "B" ., Plan "A" is making a purimm rav of Bards. I can't do it, so we need someone who CAN! who can volunteer? I even created a Gmail account for 'dehPurimRav', for whomever wants to do it. Just make sure to get reshush.....he he he he
Heck that's what my parents said about me and they weren't so wrong! ;D ;D :D :D
