yaaaaaaa! GO PATS!!!!!!!!!!!!

no wait..... GO MANNING!!!!!!!!!!!! (peyton that is)

honestly don't really care lets just start playing some *real* sports

You can't decide between the Pats and the Colts, and then you say you want the real sport to begin.

Sounds to me like a Jets fan.

Ummm, Colts? It's been a few years since then...

Sounds like a Bears fan who has no idea what's going on in the AFC...

OMG!

I hope my daughter won't see this post!

I will need to add this to my "shame" list.

Actually, I have a better idea.....I can edit where I wrote "colts" and insert "Broncos."

Hmmm....but Big Moish already quoted me sayin' "colts."

No probs....I will edit his post.

Hmmmm, but that's not right...it's not like it's a "bad word deleted" thingy.

I know....I can delete his entire post....as if he never wrote it, but someone else will comment.

You know what? I'll delete my post then as well.

Perhaps I should just delete the entire damn thread....I mean...who will notice? I was the one who bumped it anyway; it hasn't been seen since 2010. I'll just give some lame excuse to Mr. Humble and poof....it never happened.

Ya think some secret group is keepin' tabs on this thread? I doubt it.

Abacadabra.....Gazooooooooom!!!

Now, my "shame" list can stay the same.

Hey can you 'guys' behave yourself,

look back to the first posts of this thread and you'll see its is supposed to be about 'football' as played in the uk, and not American football,

(glorious game it maybe)

but at the very least change the name of the thread to 'American football'

Pleeeeeeeese.
