I can not believe all you guys drink bourbon.

I have yet to taste a bourbon (Makers Mark comes close) that can hold up to a good single malt.

i, for one, do not drink much. bourbon, whiskey, whatever. i don't even know the difference. but
. the spirit of the lechaim. whether you drank or
not. the drink is just to loosen you up a bit. if you are unhinged to begin with (like me), with you

lemonade lechaim!

bourbon lechaim!

single malt lechaim!

it is the heart that counts, like the non-frum say

petel lechaim!

won't need the drink.
