Did I do anything to Pa today?

Did anyone tell him that I get to see the deleted posts as well?

Ok I know who mom is but who is pa?

We make a good team, for I don't really know who mom is.

i did not realize when i coined the nickname "mom" for ***** that i was pa. that is disturbing on so many levels.

Not sure what the sop is. Should i be insulted? :-) That seems to be the theme today. speaking of that, this mom nickname - not all that is positive has been said about it. I wonder if his long absence has any connection...

???? ?????? ??? ??????? ??????

The fact that you have been here for x amt of time, means you're not obsessed about porn and have automatically been **disqualified** from ???? or letting heads roll (???? ???)

Perhaps someone who doesn't keep falling is not obsessed about porn.

Cord or SG - since that ouch point is not a point of humor, I don't get it, and would love to understand it...

Of course falling happens because of porn obsession, no?

Chicago doesn't have grass and I didn't have hair.

Didn't, or don't?

If this gets any more serious then we might be kicked out of the jhf board.

You said that since i've been here so long (couple of weeks more then you, i think) then i must no longer be obsessed with p---. Cords said (not sure if he meant it this way, but its a good point none the less) that if i wouldn't keep falling the whole time, then i might actually not be obsessed anymore.

No!

I meant that if one simply stopped and doesn't keep falling (which is a damn good thing), good chance he is not obsessed by porn.
