Ok, i'll try one more time to bring the first one a little closer to home.

Two guys were on the forum. One complains" sg's jokes are not funny" the other one shakes his head and says" and there are so few of them too!"

You better laugh now..... there, you can do it.... i see the smile coming.... there it is.. as j. bush said "please clap"

Before you get too carried away kids, may I remind you of my actual seniority as regards to yourself and your esteemed acquaintance Mr Mark. As the longest member among the last ten posters on this thread I will venture out upon a limb, which I pray will not crack beneath the weight of my addicted self, and say - where was I? Oh yes! I was saying that as the senior here I would hardly call the humor of the ha-d co-e thread belonging to Mr. P.A to be subtle. Most things associated with Abbas are far from subtle. Now, has anyone seen my spectacles? I would hate to make a spectacle looking for them.

Perhaps someone who doesn't keep falling is not obsessed about porn.

We make a good team, for I don't really know who mom is.

LESSON 1 FOR THE NEWBIE

i did not say "the art of subtle humor", rather "the subtle art of humor".

there is a difference.

my thread has a subtle art of blunt, crude, and hardcore cheesy humor.
