ITS SUNDAY

Many people fall on sunday

This Sunday is different

Why?

I opened an email I received from a close chaver Yosef Hatzaddik

(BTW Yosef Hatzaddik is the star of this weeks Parsha)

It is titled choices

So I will apply its lesson

We make choices

I choose

Today I choose not to fall

I choose not to react to triggers

I choose to concentrate on the positive things in my life and there are many BH. That I won't be blinded by the negatives and there are many BH too

So here we go chevra

Yes its Sunday

Its a hard day

Make the right choice
