ZOIKS is easy:

Zomeone **O**lse **I**z **K**nowing **S**is

cholenade: cholent and lemonade

Woodford: the official drink of GYE (unless 7up is around...)

Fell Shmell: means to pick yourself up after a fall and KOT, no matter what

Flake: this is where the pros have to chime in

Kichsaa: site-censor generated word in place of s h i t a

Kishka: check your grocery

Dovish: when Dov speaks, you need to read it over a couple times to get the full depth, well worth it

GUE/GYE: Guard Your Eyes used to be Guard Ur Eyes

last one is extra credit

What's with the word shita? or shitah (with an h). I thought I typed a typo when I put that word in the other day.

~~and thanks for the term (sgofb), it has the makings of a classic~~
