Marital rape!?

Is that not what she signed up for?

Isn't marital rape when a guy rapes a woman and is subsequently forced to marry her?

You may be thinking of the halachos of an "oness u'mefateh."

From Oxford dictionary:

Definition of *marital rape* in English:

NOUN

- Rape committed by the person to whom the victim is married.

Ahah. Apparently I was ignorant all this time. Like a fool, I thought that it meant the following:

Karmaniac:

One who is obsessed with ~~motor vehicles~~ monster trucks, and the ratings of ~~them~~ their respective drivers.
