You know, you'd make a pretty good chewbacca impersonation with that kvetch of yours. Mine goes like this "AAAAAAHHHRG". over.

Actually it was one of my Tatte a"h's favorites.

It really should be posted with trupp, he used to do it with such chein.

In writing it's not even that funny at all.

If we ever chat on the phone (probably no time soon), then I'll do my best imitation.

No, not Ulysses, just **Grant's**, and Johnny, and Chivas, and Glenlivet, and Booker's, and Jack, and Maker's Mark and ...

But not Woodford.

Next time in in the States, I'll make sure not to go back home without a bottle of the GYE official L'chaim.
