I don't know if it's available here in EY, it may be for a price.

I meant that I'll have to get some on my upcoming trip to the USA.

If oyu want a cheaper version, this is a real mix from my yeshiva days, from my friends friends friends friend (could have been s/one here for all i know).

Youll need: 1 bottle of Robotussin nighttime

cheap vodka, and i mean cheap

shake well

drink in lobby of cheaper end hotel

They called it "ROBOTRIP"

Or you can try the old: Rubbing alchohol

Prigat

Insurance card

Cab money

Its that simple!

lol
Actually, I drink Slivovitz from the freezer. It gets thick or thicker, depending on how much water the distiller added.
