2.) For those who compulsively buy tickets to Chinese auctions - **Guard Your Prize**.

3.) For compulsive complainers - **Guard Your Sighs** (problem: people may confuse it with #1, so maybe we should call #1 **Guard Your Thighs**)

7.) For wives who want to supervise their addict husbands - **Guard Your Guys**

I think kedusha has a compulsive guarding problem

anyone with compulsive problems of compulsivity go to  
guardyourcompulsivity.com/compulsiveguarding

kedusha check it out

**guard your compulsivity** sorry it doesn't rhyme. still a severe problem worth mentioning

I'm really concerned about Kedusha, Do you think he's snapped? There's something really wrong with him, can we get some people over to his house to check him out?
