1. there are no DEAD batteries, only powerless ones
2. you count the steps going to the second floor and there are only 11 steps. You call a contractor...
3. You kid runs in saying he fell, you say "fell shmell"
4. You tell your friend that you called because you 'Just wanted to say hi' and hang up
5. sometimes you feel that now you are 'Just Having Fun'
6. every Gerrer chusid gets surreptitious looks, 'maybe he is the heiliger Guard'...
7. when you meet someone new you tell them "hi and welcome, you should be getting the official welcome package soon..."
8. passing roadkill is a meaningful experience
9. if someone says the Bardichever lived 200 years ago, you say 'nuh uh, he lives in Kentucky and drives a big truck and sells ice cream
10. you are at a bris and you hear the baby is named 'Dov' and you go over to the baal simcha and say that is a beautiful name, he asks "why so?" and you say ummmm, well you see, it's a long story, not for now and change the subject

11. you go in to meet an adam gadol and he asks you how things are going, you say "Baruch HaTatty"

12. you are at the grocery and you stop at the 7up and start grinning

When you come back after three months and the forum tells you 854 replies and you say: "No sweat, I'll read them 'One at a time'."

when you contradict yourself from one post to the other and no one notices.

when zemmy offers you cholent.

when you've reached platinum and don't care about karma points

when those up there, take off their kid gloves, and really give it to you (no, not the gloves)

if in your dream you are saying "one day at a time"

if you're computer crashes and you suffer withdrawal symptoms.

when the wife asks you, whats that program with the cute? pictures on the side.

thats so profound and so impressive (shows a lot of progress) and serious and kabalistic (dam ne'echar venasa chalav) that its almost too much for the JHF serious
