

You know you're on GYE for a while when...

1. there are no DEAD batteries, only powerless ones
2. you count the steps going to the second floor and there are only 11 steps. You call a contractor...
3. You kid runs in saying he fell, you say "fell shmell"
4. You tell your friend that you called because you 'Just wanted to say hi' and hang up
5. sometimes you feel that now you are 'Just Having Fun'
6. every Gerrer chusid gets surreptitious looks, 'maybe he is the heiliger Guard'...
7. when you meet someone new you tell them "hi and welcome, you should be getting the official welcome package soon..."
8. passing roadkill is a meaningful experience
9. if someone says the Bardichever lived 200 years ago, you say 'nuh uh, he lives in Kentucky and drives a big truck and sells ice cream
10. you are at a bris and you hear the baby is named 'Dov' and you go over to the baal simcha and say that is a beautiful name, he asks "why so?" and you say ummmm, well you see, it's a long story, not for now and change the subject

11. you go in to meet an adam gadol and he asks you how things are going, you say "Baruch HaTatty"

12. you are at the grocery and you stop at the 7up and start grinning

153- You see someone make a brilliant and snappy modification to a quote you wrote, and you think to yourself "Hey, why didn't I think of that?"

Isn't that what you meant to say?

####- you are absolutely brilliant, and this is evident whenever you quote someone, add some snappy modification to what they said and end off by writing "is this what you meant to say?" In a cheery, rhetorical, I'm so witty manner.

Isn't that what you meant to say?

waitaminute... yeah.. thats what i was going for...

ok, I'll add one. You always log in for "one day" at a time. How this site can give any other option baffles you. You even think about PMing Guard about it. *A SHANDA.*
