

You know you're on GYE for a while when...

Posted by ZemirosShabbos - 07 Mar 2011 18:02

1. there are no DEAD batteries, only powerless ones
2. you count the steps going to the second floor and there are only 11 steps. You call a contractor...
3. You kid runs in saying he fell, you say "fell shmell"
4. You tell your friend that you called because you 'Just wanted to say hi' and hang up
5. sometimes you feel that now you are 'Just Having Fun'
6. every Gerrer chusid gets surreptitious looks, 'maybe he is the heiliger Guard'...
7. when you meet someone new you tell them "hi and welcome, you should be getting the official welcome package soon..."
8. passing roadkill is a meaningful experience
9. if someone says the Bardichever lived 200 years ago, you say 'nuh uh, he lives in Kentucky and drives a big truck and sells ice cream
10. you are at a bris and you hear the baby is named 'Dov' and you go over to the baal simcha and say that is a beautiful name, he asks "why so?" and you say ummmm, well you see, it's a long story, not for now and change the subject

12. you are at the grocery and you stop at the 7up and start grinning

First of all you spelled it wrong [which isn't terrible because I believe that on this sit there
already are five distinct spellings, I can't give you links, RT is getting freaked out.]

Second of all, there's a "GYE glossary of terms" just for this reason [and again, I can't give you
a link, sorry].

You can assume you are a considerable amount of time on GYE if Dov calls you in a dream
(That happened to me. This night. He called. He had a voice like r. reisman in 20 years.. and I
remember that I wanted to buy a drink and 7up came out of the dose...)

now how do I change that to a see "here" that would really be slick

Last night I had a bad cold or something and I could not sleep for hours. I finally fell asleep, and I dreamed of the Heilige Guard! he was dressed just like his picture, in a long red Bekishe and that tall tall Shtreimel.

He did not speak to me, but motioned that i should follow him around. I followed him as he went in and out of a bunch of shuls and rebbes houses, putting up posters and talking to people. At one point we got on a train that climbed a long long hill up into the sky....

sure beats some of the other dreams I used to have....

;D ;D ;D ;D ;D ;D ;D ;D

This topic has been discussed in at least three places [from what I remember off hand] I challenge you to find them...
