

You know you're on GYE for a while when...

Posted by ZemirosShabbos - 07 Mar 2011 18:02

1. there are no DEAD batteries, only powerless ones

2. you count the steps going to the second floor and there are only 11 steps. You call a contractor...

3. You kid runs in saying he fell, you say "fell shmell"

4. You tell your friend that you called because you 'Just wanted to say hi' and hang up

5. sometimes you feel that now you are 'Just Having Fun'

6. every Gerrer chusid gets surreptitious looks, 'maybe he is the heiliger Guard'...

7. when you meet someone new you tell them "hi and welcome, you should be getting the official welcome package soon..."

8. passing roadkill is a meaningful experience

9. if someone says the Bardichever lived 200 years ago, you say 'nuh uh, he lives in Kentucky and drives a big truck and sells ice cream

10. you are at a bris and you hear the baby is named 'Dov' and you go over to the baal simcha and say that is a beautiful name, he asks "why so?" and you say ummmm, well you see, it's a long story, not for now and change the subject

11. you go in to meet an adam gadol and he asks you how things are going, you say "Baruch HaTatty"

12. you are at the grocery and you stop at the 7up and start grinning

V'yesh omrim that the very reason he had a great fall was because he sat on the wall! He thought he was so high & mighty! If only had a bit of humility he wouldn't have had such a great fall....

85. you think as you are being maavir sedra that the Rashi on that pasuk would surely make a nice chizuk email

86. you think that anything '90' is special, so you try to keep posting until you hit 90... (why are

87. you think that the people who live in Bardstown, KY are gilgulim of the inhabitants of Bardichev, Ukraine (you looking at me?)

88. for old-timers: if someone says "you are someone special!" you say: Momo?

89. you know that joking around, especially laughing at yourself, is a great thing, in it's proper time and place, which brings us to the next...

90. you know that there is hope, you aren't alone in your struggle, others have been down this path before, there are special people who selflessly dedicate themselves to help other yidden struggling with something so powerful and entrenched and who have a proven record of success.

when you thought you were cut off and felt that you were about to die spiritually you found a lifeline and realized that not only is it a lifeline, it is so much more. it restored you to life and showed you a better life than the one you had before.

you realized and continuously see how the people of GYE are special and precious people.

you are constantly amazed by the altruistic dedication and service of Morainu the Guard shlita

you feel like printing out the whole forum and bringing with you to Neila on Yom Kippur to show the RBSO

you feel like you have stumbled upon the secret training ground of the Special Forces of the RBSO (aka the Possum Berets)

you feel very fortunate to be a part of this chabura hakdosha
