Since you keep finding bad posts, and since tomorrow is your 53rd day, I made you a global moderator of this forum! Mazal Tov!

You realize though, that is an Achrayus? No letting us down now :-)

You can now remove bad posts yourself, whenever they appear. But even more than that. You can now offer Chizuk to people on the forum as a "Global Moderator". That's a whole new level. People will respect your words now more! So take up the challenge to encourage others too! This is the best therapy for our own recovery as well :-)

Yasher Koach and keep up the good work!
