

Back on Track's trekking along

Posted by Back on Track - 07 Aug 2011 19:45

hi everybody. clean 100 days here. but looking for chizuk in continuing this journey to where we all know we want to be. A little about me. born modern- became frum later in life. Had prob with m* since I was able to. I began working toward recovery about 2 years ago. I had a lot of ups and downs, I am finally at a point where things in that area of life seem to be leveling out. only thing is everything else is so up in the air..... I actually dont know whether Im comin or goin. But Hashem has a plan for all of us, and thats what we need to follow.

Ok. I really feel I must stop looking at p*. Bh, I hav been clean from m* for abput 150 days. But

p* has still been a draw for me. I have developed some ideas of what I will allow myself/not allow myself if I remain p* free going fporward. I think, as I have done in the past I need to take a neder to set up this system. Only thing is I am afraid to let go of p*, and reach a 'level' higher. I can't handle levels.

You are a mighty warrior in my book if you don't m*te! As for p*, one day at a time...make a fence for your youself, like promise to do something for 5min before looking at p* next time.

Ksivo v'chasimo toivo!
