hi everybody. clean 100 days here. but looking for chizuk in continuing this journey to where we all know we want to be. A little about me. born modern- became frum later in life. Had prob with m\* since I was able to. I began working toward recovery about 2 years ago. I had a lot of ups and down, I am finally at a point where things in that area of life seem to be leveling out. only thing is everything else is so up in the air..... I actually dont know whether Im comin or goin. But Hashem has a plan for all of us, and thats what we need to follow.

Right. That's true. Shmeichel... No. I don't have any such plan. I used to believe I was here to do that. And had some grand ideas abt what isupertzadik things I would do... But now I realize I'm here to just stop viewing p\* and m\*.

Really ruf night. I had a very tense experience in a big situation that I am trying to negotiate.

I am trying my best to handle it. I am sober. Bh. This could only be worse if I act out. I am feeling some desire to act out. But I am going to reach out personally to some sobriety buddies to help me get through it.

Looking at the drop from the door of that truck to the ground i would be pretty scared to attempt leaving the truck. Hang in their buddy, the best is yet to come. Wishing you a sober night.
