hi everybody. clean 100 days here. but looking for chizuk in continuing this journey to where we all know we want to be. A little about me. born modern- became frum later in life. Had prob with m\* since I was able to. I began working toward recovery about 2 years ago. I had a lot of ups and down, I am finally at a point where things in that area of life seem to be leveling out. only thing is everything else is so up in the air..... I actually dont know whether Im comin or goin. But Hashem has a plan for all of us, and thats what we need to follow.

that's good. it means you are alive and your heart and mind are functioning.

there is a famous story of a mother who came to a tzadik complaining that her son was eating pig and dancing with shikshas. he said "he's normal. if he would be eating shikshas and dancing with pigs then we should worry..."

welcome to life

we all have urges at times

what we do about it is what counts

so you are still our favorite Monstuh' Truck Driver

how about we meet at 2pm at AutoZone? they got some newfangled bling for dem truck
