

Back on Track's trekking along

Posted by Back on Track - 07 Aug 2011 19:45

hi everybody. clean 100 days here. but looking for chizuk in continuing this journey to where we all know we want to be. A little about me. born modern- became frum later in life. Had prob with m* since I was able to. I began working toward recovery about 2 years ago. I had a lot of ups and downs, I am finally at a point where things in that area of life seem to be leveling out. only thing is everything else is so up in the air..... I actually dont know whether Im comin or goin. But Hashem has a plan for all of us, and thats what we need to follow.

well, be happy she doesn't wear a yarmulka (does she?) cause to embroider Tropical Storm Conditions on it would cost a pretty penny...

I've done that and gotten the page to set the avatar, signature etc. But in the avatar section there are 2 radio buttons for either an url or to upload a file, but there is no browse to select the file.
