Hi,

I introduced myself, not long ago, [Here](#). But I have grown since then, and have outgrown my small house in the "Introduce Yourself" part of town. I am a Jr. Member and soon will be a "Full Member" IY"H, so I decided I needed to build a new house in a new neighborhood. I looked around at different neighborhoods and saw some spectacular houses in "Wall of Honor". I see that [Zemmy](#) and [Bards](#) have built here among others, so I decided to plant myself here as well. I will hopefully build some walls of honor myself, and continue to make great friends along the way.

I plan to use this as my main posting thread. So please come in and make a l'chayim, or enjoy some chocolate babke and fresh brewed coffee, or just stop by to say hello.

It's a privilege to dwell among such chashuve yidden!

I have not been a regular poster for a long while and missed this incredible milestone.

Thank you Gibbor for being the role model that you are.

I know I've been out of the loop for a while. So much so, that I almost forgot to post today that I am Bezras Hashem 7 years clean! It's hard for me to beleive, and I never thought it possible. I certainly owe a HUGE debt of gratitude to GYE and the many friends I've made here. I could not have done it without you.

Thank you all from the bottom of my heart.

KOT and NEVER EVER GIVE UP!

Someone here will probably time how many pumps in a minute and then figure out how many in 7 years. At least it will keep someone busy for a while

My inner math geek couldn't resist...

I get 40 pumps per minute...

2400 per hour

57600 per day

21,024,000 per year

147,168,000 in 7 years

(times 4485 posts = 660,048,480,000)

...and you still haven't got any muscles....

Hmmm. I may be able to find the source, but I think that experience is the best source for this. The best eitzah is to avoid the battle in the first place. Once taivah hits, it's very hard to be omed binisayon. I think we all know this.

My wife is pushing to see if I need therapy for my lust issues that in my opinion are in the 'low addiction' range. primarily I had acted out when alone with unfiltered devices etc, and have recently setup good fences thanks to gye

I don't have what to respond to her, and I think input would be appreciated - either way. And that link is related to the topic.

If you read my boring story and think I need help please say so...
