

The "\$90 for 90 days" Golden Plan

Posted by the.guard - 26 Aug 2011 10:09

Two years ago on Rosh Chodesh Elul "Kedusha" suggested an ingenious plan to help others reach 90 days - while helping GYE at the same time (see chizuk e-mail #561 on [this page](#)).

Sponsors: Choose someone from this forum who wants an incentive to make it to 90 days, and commit to donate \$90 to GYE if that person makes it to 90 days clean. This will give your sponsee an added incentive to make the effort (because he won't want GYE to lose out on much needed help!)

Sponsees: If you want to have an added incentive to make it to 90 days yourself and take up this challenge, please post the following information on this board:

- 1) How many days you've been clean (at least 3, but no more than 30),
- 2) A brief summary of your recent status (successes and failures),
- 3) Whether you have an Internet filter without access to the password,
- 4) Your pledge to post honest reports of your status at least twice weekly on "Wall of Honor" section of the forum.
- 5) Your game plan for making it to 90 days without falling (you need one - otherwise, GYE stands to lose out on the \$90!).

Please Choose one of the following 4 choices:

1. I want to be a sponsor (I want to donate \$90 for someone else's 90 days)
2. I want to be a sponsee (I want someone to donate \$90 to GYE for my 90 days)

3. I want to be both a sponsor (for someone else) and a sponsee (someone else should donate for my 90 days)

4. I want to be my own sponsor (i.e. I commit to donate \$90 to GYE if I make it to 90 days)

In the merit of motivating another person, you will surely see siyata di'shmaya in your own struggle as well. And what more beautiful way can there be to enter Elul than to encourage another Jew to purify himself - at the same time as helping GYE continue to inspire hundreds of others!

Le'taher eschem mikol chatoseichem... Lifnei Hashem Ti'Taharu!

Start your 90 day journey TODAY!

do you thing its a parking place or a road to drive?

You're really right. We do need to 'drive' ourselves on the road to becoming better, but sometimes we need to 'park' our trucks at the 'gas station' (gye) to refuel, and get chizuk and advice on how to continue driving.

You misunderstood

It's a "NO PARKING" zone, so you get free towing ;-)

Hang around and post. "meet" people here. You will have more success than randomly asking for a sponsor.

I feel like my parents would go the wrong way if they would fined out, I wish there was a easy fix to get to 90days

Is there anything you have tried which has worked for you?

The easy fix I would recommend for you, can be accessed by 30 seconds of discomfort. If you'd like to hear, let me know
