I understand that you can see his recent posts. Why don't you try posting a comment to Uri?

Now you're right - I tried it again and I couldn't access anything.

Blog has been removed

Sorry, the blog at urisjournal.blogspot.com has been removed. This address is not available for new blogs.

Did you expect to see your blog here? See: 'I can't find my blog on the Web, where is it?'

I'm still able to access it. I copied and pasted all the available posts, and sent them to you by e-mail.

Can you send them to me too, Kedusha? (If you still have that e-mail)

Replies Yisroel - We are unable the Yetzar Hara control us.

Navi: So force your Yetzar!

Yisroel: We cannot, only Hashem can teach us.

UUU: So cool to hear from you again, and with a healthy strong motivating kickoff. Yay.

You sorta saved my own tuchis as I was settling into this work, so it's a double honor to see you returning to the table.

So, er, um, do you wanna fill us in a little on some basics (who you are, what you're trying to do here, etc) -- I'm guessing most people have a little different 'spin' on their lives after a few months in hibernation. Or, maybe you wanna keep your mouth shut and let your own body put its money where its... never mind....

This place could use a little shaking up. Be warned.
