how come the good guys aren't around anymore? >

talk to real people

that's quite an endorsement

yes you're real. not just a

charming old bear that's stuffed with fluff,

sometimes, while standing on a ladder

eating batter

getting fatter

and thinking of my alma mater

i wonder, does it really matter

if i am the former, or the latter?

it's pretty good to read old threads [or ~~[strike]~~fuhdem~~[/strike]~~ fehddimer, as they were some times referred too]

Here's something else i found that i identify with

[tzaddik09/Special Weapons And Tactics wrote on 06 Feb 2011 15:12:](#)

you see, i was reading the white sa book this morning for breakfast (i read instead of eat), and i learned more clearly how Alcohol is just the model for all types of addictions-and that addictions can really take all forms. The common denom. is that the person does it in order to receive the chemical stimulus in his brain, with which to experience an escape from reality.

Anyhow, in my yeshiva days, continuing until recently, i have tried another-it is s/thing you may know- and what is so great about this one is that it is such a subtle addiction that you may not have ever noticed this one. it's called.....suspense.....c'mon already.....okay-BUYING SFARIM!

Whenever i felt anxiety id just walk to the sfarim store, i mean the dozen stores in meah shearim, and whip out so galavantly (i dont know how to use this word) my credit card and *whoosh*, with one fell swipe, id own the new likutei imrei yosef meir chaim elliot on bava basra. I did this hundreds of times. in fact, i own over 400 sfarim, so ive done this more than once for sure.

Its the feeling of escape that i cherished so much when id walk back home with the bright yellow manny's bag, now green. Then, id write my name in it, and number, read the first 3 pages, and then shelf it.

Isnt that great? i love it. Its not sexual, nor does the addict sway around with vodka breath and say funny things. Its so innocent. In fact its a mitzvah-everyone knows the rosh on the mitzvah

of writing a sefer torah-that's right, my rationalizing, anxiety racked, frum, addict friends- buying sfarim!

I just realized this during breakfast, today feb 6, 2011. Enlightening! knowing is half the battle, and now i know.

It's true! whenever i feel stressed [RID], I do that... When someone in my family passed away a couple of months ago I spent like 400 shekels at various seforim stores! [yeah i know it's only about 100 bucks, but seforim are cheaper here] during the shiva.

Official Post:

Lately I've been quoting the Kohen Gadol (read: Matisyahu) a lot. I wrote these lyrics for the [chrismuka] song Miracle:

Just livin' inna Fantasy

Internet Pornography

Online. I can surf- invincible.

No longer be invisible,
Born through the struggle,
Kept on movin' through all this hustle

Heads up, heads down-
Through all of the bustle
Bardstown Kentucky, wanna flex your muscle

Look so down , look so puzzled
Get Up! Into
Truck And Ruwihl.

Bound to stumble and fall
My strength comes not from man at all
Bound to stumble and fall
I am powerless, yah that's all!

Do you believe in fantasies,
Am I hearing you? Am I seeing you?
The late nights,
Censored sites
And these sites killed my sight
They dragged me to the lowest "heights", those fantasies.

Against all odds Truck on till tomorrow.

Wipe away ya' tears and your sorrow.

Sunrise in the sky- like an arrow.

No need to worry- no need to cry.

Light up your mind, no longer be blind. Him who searches will find.

Leave your problems behind you, we will shine like a fire in the sky.

What's the reason we're alive?

Reason we're alive?

Bound to stumble and fall

My strength comes not from man at all

Bound to stumble and fall

I am powerless, yah that's all!

Do you believe in fantasies,

Am I hearing you? Am I seeing you?

The late nights, Censored sites

And these sites killed my sight

And dragged me to the lowest "heights", those fantasies.

Internet is infinity,

Much more than what you know how to deal-

GYE is the light of continuity,

When your broken heart yearns to be free.

Do you believe in fantasies,

Am I hearing you? Am I seeing you?

The late nights, Censored sites

And these sites killed my sight

And dragged me to the lowest "heights", those fantasies.

Do you believe in fantasies,

Am I hearing you? Am I seeing you?

The late nights, Censored sites

And these sites killed my sight

And dragged me to the lowest "heights", those fantasies.

Do you believe in fantasies,

Am I hearing you? Am I seeing you?

The late nights, Censored sites

And these sites killed my sight

And dragged me to the lowest "heights", those fantasies.

I think it very aptly describes GYE, and that if Guard could get it professionally sung and recorded it would be a great advertisement, i can easily see it getting 100000 views on youtube within a week or so....

"so ruchy, imagine, there was this whoooooooooole platter of luscious chocalatey stuffs **right in front of my nose!** the wole time!

i was like, 'yoy bashefer don't do this to me'. so like the first five minutes i'm thinking, 'esti! you're on a diet, you're not touching this... this, this **stuff**' then the second five minutes my yetzer hora was like, c'mon you just started the diet yesterday, really what's the difference if you put it off one more day, also it's a mitzva, you're making dini sooooo happy if you eat her things. so i'm like sitting there and trying to answer the yetzer hora when all of the sudden my hand just reached out, took a piece, and shoved it into my mouth... it's not my fault ruchy, right, please say that i'm not a terrible person..."

"Esti, was suri sitting next to you?"

"ruchy don't even say her name, i'm going to **kill** that girl one day, who gave her the right to be soooooooooo thin and never cheat on her diet, how do you know she was sitting next to me?"

"well, i asked her how dini's party was, and she said that dini had made some new chocolate something, and there was a huge platter right next to her, but she didn't make such a big deal out of it, she just kinda like mentioned it..."

SURI AND ESTI WERE BOTH SITTING NEXT TO THE CHOCOLATE.

THE CHOCOLATE ONLY SPOKE TO ESTI

CUZ SHE WAS LISTENING

[illegible]

WOULD ESTI HAVE HAD SUCH A PROBLEM WITH THE CHOCOLATE ON YOM KIPPUR-
NO!!!

Please kill Suri for me or tell me she is *really* ugly. She is such a trigger for me, all thin and slim even though she is only fiction.

This post is not entirely serious but it is not entirely a joke either. :-\
