When

Shall I be released?

From the limitations

Of expectations,

Dashed hopes.

Undo the clasps

Cast the shackles...

Bob Dylan said\*

"I say my light's gon' shine then

From the west unto the east

Any day now,

I shall be released."

I wish not for the west

Or east

When my light's gonna shine

When I shall be released

It shall only shine upon

Me.

## **OFFICIAL OFFICIAL OFFICIAL POST**

I just read through this entire thread from the beginning to end <sup>[10 pgs. on ordinary computers, 3 on Gibbor's]</sup>, what sould I say, I started after Yom KiPurim, I believe that now after Yom Purim [still haven't arrived at 90] it's about time I finally start taking this thing seriously. This is about 90 days, not about Alice in Wonderland and Matisyahu, so I decided to start posting less, start being on the internet less, and start recovering more...

**Day 7**

I agree its about taking things seriously. But it is not about 90 days. If 90 days is your focus then on day 91 youre free to go back to your old ways. It's about making today the focus of your energies and attempting with Hashem's help to reach your tafkid for today. If you live your life each day, the likelihood is that after 90 days of doing that you'll have 90 days of living under your belt. Who even knows if we will be alive in 90 days (may we all live and be well till 120). But we are here today and if we focus on that reality we can make it a wonderful one. Much hatzlacha.

[10 pgs. on ordinary computers, 3 on Gibbor's]

It's only 3 pages on mine too, maybe *your* computer is the one that's not ordinary ;D .

Seriously though, there's a setting for it in your profile. Go to Forum Profile, Modify Profile, Look and Layout, and check the setting for "Messages to display per page". The default is 15 but you can raise it to 50.

Oh, and being on the internet less is great, but don't disappear on us!

Day 9

hmmmmmmmmmm

“WHERE did you say it was?’ asked Pooh.

Just here,' said Eeyore.

Made of sticks?'

Yes'

Oh!' said Piglet.

What?' said Eeyore.

I just said "Oh!" said Piglet nervously. And so as to seem quite at ease he **hummed** Tiddely-pom once or twice in a what-shall-we-do-now kind of way."

are they looking for the bonfire?

'Do you know what to-morrow is, Kitty?' Alice began. 'You'd have guessed if you'd been up in the window with me—only Dinah was making you tidy, so you couldn't. I was watching the boys getting in sticks for the bonfire—and it wants plenty of sticks, Kitty! Only it got so cold, and it snowed so, they had to leave off. Never mind, Kitty, we'll go and see the bonfire to-morrow.'

So I leave the apartment afterwards, cuz what's the use sitting there feeling sorry for myself, also because i needed some shopping done and on the street...

I need cookies... cookies and chocolate, ooh, and that girl's legs,

Well TZ, came that voice [it didn't say TZ, it said my real name], cookies and chocolate you can afford to pursue, those legs, Nohow- Contrari-wise <sup>[lewis carroll- I had to squeeze him in somewhere]</sup>. So off course I veered to three Makolets, I didn't end up getting those cookies, but I did get some good chocolate [spent 10.6 NIS]...

Anyway, wishing all jews out there a holy, uplifting Shabbos, with Hashpaos from the holy

Rebbe Reb Elimelech, and no triggering females at the seudos that's no triggering females at the seudos I mean no triggering females at the seudos.

NO, you mean not being triggered by innocent females at the seudos...

Good Shabbos!

Sorry To hear about your fall

Hi Tehillimzugger,

The honesty in admitting a fall is the first step. Kol Hakavod on that.

Second is to realize that you are still definitely winning this battle. You've been 10 days clean! Imagine how many times you said "no" to the Yetzer hara in that amount of time!

Third is to learn from the fall what caused it, and make new and better fences. This ultimately

uplifts the fall to Kedusha.

Fourth. Please read Principle #24-30 of the attitude handbook. You'll find a lot of great yesodos for dealing with a fall.

Remember, the addiction feeds off the depression caused by the falls. Make sure not to let this get you down! If you learned only this principle on GuardYourEyes, it would have been worth it just for that. The Yetzer Hara wants you to get DOWN about the fall, even more than he wanted you to fall.

Sometimes a person was "brought" to fall from heaven, only to see what he will do THEN.

You have what it takes to beat this. Full steam ahead!

A true warrior gets right back up after a fall. Choose your new CLEAN date and you'll see your name on the chart again in 3 days time!

:( for U...

I want s#x NOW

no you don't

yes i do

no you don't

yes i do

no you don't

yes i do

no you don't

You got that backwards, The "I" is the good, holy neshama inside you and the external voice is the YH.

So it goes like this

You want s#x NOW

no I don't

yes you do

no I don't

yes you do

no I don't

yes you do

no I don't

Now it's time for that Monster G.U.I.T.A.R!!!!

(and enjoy the chocolate, it keeps the dementors away)

Chocolate is a good thing to have after surviving a Dementor attack but only a Patronus can keep them away.

Now, if only my wife was a Veela.....
