... I met Zeidy MT he told me that we have ten days of opportunity and we shouldn't be foolish and mess up, like Naval [Avigayil's husband].

Here's the vort (copied from last year's post):

???? ?????? ?????? ????? ?' ?? ??? - ?????? ?' ??:??

??? ?' ????? ????? ?" ?"???? - ??' ?" ? ?

The possuk says, "And it was after 10 days, and Hashem struck Novol". Chazal explain that these 10 days were Aseres Yemei Teshuva, when he was given the opportunity to repent but didn't. What a wasted opportunity! What a shame!

I once heard from R' Moshe Wolfson Shlit"a that this is what we daven in tehylim (39:9):

???? ?? ? ? ??????

Please, Hashem, let me use these 10 days properly, and don't let me end up like Novol's embarrassment.

Gmar Chasima Tova to all.

MT

Official Post:

Lately I've been quoting the Kohen Gadol (read: Matisyahu) a lot. I wrote these lyrics for the [chrismuka] song Miracle:

Just livin' inna Fantasy

Internet Pornography

Online. I can surf- invincible.

No longer be invisible,

Born through the struggle,

Kept on movin' through all this hustle

Heads up, heads down-

Through all of the bustle

Bardstown Kentucky, wanna flex your muscle

Look so down , look so puzzled

Get Up! Into

Truck And Ruwihl.

Bound to stumble and fall

My strength comes not from man at all

Bound to stumble and fall

I am powerless, yah that's all!

Do you believe in fantasies,

Am I hearing you? Am I seeing you?

The late nights,

Censored sites

And these sites killed my sight

They dragged me to the lowest "heights", those fantasies.

Against all odds Truck on till tomorrow.

Wipe away ya' tears and your sorrow.

Sunrise in the sky- like an arrow.

No need to worry- no need to cry.

Light up your mind, no longer be blind. Him who searches will find.

Leave your problems behind you, we will shine like a fire in the sky.

What's the reason we're alive?

Reason we're alive?

Bound to stumble and fall

My strength comes not from man at all

Bound to stumble and fall

I am powerless, yah that's all!

Do you believe in fantasies,

Am I hearing you? Am I seeing you?

The late nights, Censored sites

And these sites killed my sight

And dragged me to the lowest "heights", those fantasies.

Internet is infinity,

Much more than what you know how to deal-

GYE is the light of continuity,

When your broken heart yearns to be free.

Do you believe in fantasies,

Am I hearing you? Am I seeing you?

The late nights, Censored sites

And these sites killed my sight

And dragged me to the lowest "heights", those fantasies.

Do you believe in fantasies,

Am I hearing you? Am I seeing you?

The late nights, Censored sites

And these sites killed my sight

And dragged me to the lowest "heights", those fantasies.

Do you believe in fantasies,

Am I hearing you? Am I seeing you?

The late nights, Censored sites

And these sites killed my sight

And dragged me to the lowest "heights", those fantasies.

I think it very aptly describes GYE, and that if Guard could get it professionally sung and recorded it would be a great advertisement, i can easily see it getting 100000 views on youtube within a week or so....

I like. it's on page five of this thread. Making chazara.

TZ!

You think 2 years being on GYE makes you immune?

We know getting on here that the impulse will not likely go away.

Falling is not failing, as long as you don't give up.

Get up, keep moving forward, and stay out of isolation!
