Cat: Where are you going?

Alice: Which way should I go?

Cat: That depends on where you are going.

Alice: I don't know.

Cat: Then it doesn't matter which way you go.

You know the famous Poem by Carolyn Wells:

A tutor who tooted the flute

Tried to tutor two tooters to toot.

Said the two tooters to the tutor,

"Is it harder to toot, or to tutor two tooters to toot?"

I have a kasha on it - If They're already tooters, why would they need a tutor to tutor them to toot??

A kasha oif a ma'aseh

"if u don't know what bottoming at the top is, you're missing the whole gye mission statement

[Yossi.L. wrote:](#)

Mr. Tehillim Zugger: I read the entire GYE "about us" and handbook and i still don't know what "bottoming out from the top" means. Out of the kindness of your heart can you please explain it.

If i am totally missing the whole point of GYE i would greatly appreciate if you set me back on track.

[Yossi.L. wrote:](#)

ohhhh....that's what you meant...hitting bottom WHILE still on top...got it...thanks!

Isn't there something about "**Topping out from the bottom**"???

meaning that you don't begin your climb to the top until you hit Rock bottom"

LIVING LIFE

ONE STEP AT A TIME

ONE THING AT A TIME

SO MANY DETAILS

I MISS YOU

NEED TO ORGANIZE

PROMISED AND MUST DELIVER

YOU ARE WITH ME

BUT WHERE AM I?

I LIVE WITH THE HAZLENUTS

WITH THE SMELL OF ROASTING BEANS

IN THE SHADOW OF PASSOVER

AND THE LURE OF FORBIDDEN THINGS

I LIVE WITH THE TIME

TALK IS CHEAP

FRIENDSHIP IS FOREVER

FLY

HIGH

LIKE A BIRD

WITH THE BIRDS

LET'S SING

TOGETHER

TOGETHER

TOGETHER

Leader: A little birdie in a tree

All: A little birdie in a tree

Leader: Said something really good to me

All: Said something really good to me

Leader: She said that TZ was the best

All: She said that TZ was the best

Leader: Better than all the rest

All: Better than all the rest

Leader: Sound off

All: 1, 2

Leader: Sound off

All: 3,4

Leader: Bring it all down

All: 1, 2,3, 4

Why?

When I fly?

Does everyone stare...

When I spread my-

Wings in the sky,

Why? Should you care?

Don't despair!

I am near!

Though I might fly with my bird,

I wouldn't leave you that's absurd.

After all is said and done.

Rule Number One:

Is.

Birds of a feather

Flock together...

birds of a feather

perched on heather

stay together

through any weather

almost forever

isn't that clever?
