Just don't end up like the bake-master. So be careful not to dream about it (and stay away from zeidy's bakery).

Zeidy?! I didn't know you have a bakery!

So, the birdy is taking off...

Since it's on my shoulder I'm flying along...

Flying

Flying

Flying...

I don't know if I'll be back until after shana rishona (didn't I mention that I'm getting married to the most amazing kallah in the world?)

**Warning: Spoiler!**

So yeah. I'll be around. I'll take care, but farewell for now!!!

So, in Lizhensk, the minhagim are backwards. Instead of the Rebbe sending his gabbai on shlichus, its the opposite way around. TZ sent me to post what hes been up to.

So heres the O'Fishel update:

BH TZ has been doing great, he got a new job as head of Ornithology in Bar Ilan University.

Baruch Hashem, he graced the Lizhensker Tish with his presence on the second day of Yom Tov when his whole department was busy being Mechallel Yom Tov. In case anyone had a haveh aminah that he was forgetting his duties as the TehillimZugger, I can attest that he was m'nadev a very choshuve bottle of WOODFORD!!!.

Well, since we finished the 6 different kinds of Amerikanisher meats, and fourteen different types of muffins that the rebetzin rolled out, i haven't heard anything from the simple "TZ"...
