

ImGonnaWin's Log

Posted by ImGonnaWin - 04 Apr 2012 14:11

Hey everyone.

I'm new to this site, so if I break any protocols here, I apologize.

I have a lot to say by way of introduction, but I don't have the time. For now, I'll just post my specific feelings right now, and hopefully come back later to write a proper introduction

I started the 90 day thing a few weeks ago. I havent been able to crack 4 days. Sort of having some feelings of yeush here (nothing new for me in terms of dealing with this problem)

Lately, I've been doing terribly, actually. I sort of feel like I'm in a tail spin here. This morning I realized that I've missed tefila betzibur 3-4 times in the past 2 weeks because of my problem.

I have k9 filter set up, but I also have the password. I am too ashamed of asking any of my friends to take care of it. I would love to get in touch with that filter gabai, but I don't know how.

Any words of support and chizuk would be appreicated (as well as how to get in touch with that gabbai)

Thanks

-IGW
