

A place to say thanks :)

Posted by A_new_begining - 15 Jun 2012 07:54

I was really just feeling incredibly grateful for where I am at right now and wanted to take the opportunity to Thank GYE, Hashem and all the special people on my life for what I have been given.

I am feeling incredibly uplifted and sound and thought what better way to say thank you than to create a group for those feeling hakarat Hatov.

Please if you every are feeling grateful and just want to say thank you, pop in and show everyone. Lets all remember how much we have going for us.

Hashem, thank you for showing me that I can have a normal life, and for feeding me the tools I needed to break out of where I was, just when I needed them. And thank You for GYE!

(And thank you, ANB, for the opportunity!)
